ABOUT ME

Computer Science Undergraduate pursuing a Full Stack Engineering internship. Experienced with **Java, Python, and web development technologies**, specializing in software engineering and database management. Seeking to leverage analytical skills and a passion for technology to impact critical tech projects.

EDUCATION

BSc (Hons) Computer Science (Undergraduate)

Informatics Institute of Technology (University of Westminster, London) **Sep 2024 – Present**

Foundation Certificate in Higher Education

Informatics Institute of Technology (University of Westminster, London) **Sep 2023 – April 2024**

Diploma in Computer Network Engineering

IDM Nations Campus 2018–2020

Leeds International School - Galle

Edexcel IGCSE O-Levels – 2021
Edexcel International A-Levels – 2023

SKILLS

Programming Languages: Java, Python, JavaScript
Technologies: HTML, CSS, React, Node.js, React Native
Databases: MySQL
Design: Figma
Tools: Git, GitHub
Other: Critical Thinking, Leadership, Management Skills, Creativity, Teamwork

---

PROJECTS

IIT Connect (Group Project):

- *Built and deployed a cross-platform mobile communication app to streamline university-stakeholder interactions.*

- *Used **React Native** for the mobile interface and **Node.js** for robust backend services.*

Personal Portfolio (HTML, CSS, JS):
- *Web application to showcase my skills and projects with modern responsive design.*

Website – Life on Land (Group Project):
- *Developed a key platform using **HTML/CSS/JS** to centralize community environmental action. Ensured high design fidelity and on-time delivery through proactive team collaboration.*

Clothing Platform (HTML, CSS):
- *A responsive clothing web application designed to showcase stylish apparel.*

Personal Finance Tracker (Java, OOP):
- *Web application for tracking income/expenses with dashboard summaries and categorized transactions.*

Traffic Flow Analysis System (Python):
- *Program analyzing CSV traffic data, generating insights, and visualizations using histograms.*

VOLUNTEERING

Galle Literary Festival – Production Team Lead
Cutting Edge24 – Volunteer

ACHIEVEMENTS

Leadership & Extracurricular Activities

Senior Prefect | Junior Prefect
Head of Media Unit | House Vice In-charge
Sports: Cricket, Football, Swimming, Chess

Certifications

Diploma in Computer Network Engineering - IDM
Professional Certificate in Java Programming (OOP) – IIT PDU
Professional Certificate in Artificial Intelligence – IIT PDU
Git and GitHub Bootcamp – Digital Certificate
Data Science with Python – Digital Certificate
Microsoft Azure Fundamentals: Describe Azure architecture and services – Digital Certificate
Java Object-Oriented Programming – Digital Certificate
